5.5 In the event the legality of the above provisions or similar provisions existing in other school districts are challenged or are found to be invalid by a court of law, CVSTA and the District agree to reopen negotiations on District health benefits.

5.6 **Waiver of Health Benefit**

Effective July 1, 2018, the District will pay a stipend that equals 15% of the current health benefits cap to bargaining unit members who choose to waive their District-provided medical benefits. In order to qualify for this waiver, the bargaining unit member does not have to waive single coverage, as defined in Section 5.7, of dental or vision plans, or long-term disability, short-term disability or life insurance coverage.

5.6.1 In order to be eligible to receive the stipend, the employee must, by the end of the open enrollment period, submit a health insurance waiver form and provide evidence of dependent coverage on a medical insurance plan.

The District will pay the stipend in two installments. The first installment, which will be 60% of the stipend, will be paid no later than 30 days after the close of the open enrollment period. The

second installment, which will be 40% of the stipend, will be paid no later than 15 days after the beginning of the school year that begins in the middle of the related plan year to all eligible unit members who are still in active status at the beginning of that school year. By way of example, for the 2023 plan year, the first installment of the stipend (60%) would be paid in November of 2022, and the second installment (40%) would be paid in August of 2023.

- 5.6.2 For an employee who qualified for the stipend at the time of open enrollment, who then opts for medical coverage later in the plan year due to a life event, the District will pro-rate the stipend based on the number of months the unit member has contributed to the plan for the plan year.

For an employee who did not qualify for the stipend at the time of open enrollment, who then waives medical coverage later in the plan year due to a life event, the District will pro-rate the stipend based on the number of months remaining in the plan year, and will pay the stipend in only one installment no later than 30 days after the effective date of the change in coverage.

- 5.6.3 For an employee who is hired during the plan year, and who waives medical coverage, the District will pro-rate the stipend based on the number of months remaining in the plan year, and will pay the stipend in only one installment no later than 30 days after the effective date of the start of coverage.

5.7 **Single Medical Coverage**

Effective January 1, 2019, for an employee who enrolls in a medical plan that provides coverage only to the employee, defined as single coverage, the District will not limit its contributions to dental or vision plans to single coverage, and will contribute to the plans as set forth in Section 5.2, except as limited in Section 5.7.1.

5.7.1 **Single Coverage Health Benefits Stipend**

Effective July 1, 2018, the District will pay a stipend that equals 7.5% of the current health benefits cap to bargaining unit members who have single coverage medical plans. Employees who opt for this stipend are eligible for no more than single coverage for dental and vision plans.

- 5.7.2 The District will notify eligible unit members via e-mail no later than seven (7) days after the close of the open enrollment period that they have qualified to receive the stipend. If unit members do not want to receive the stipend, then they must notify the District of this decision in writing no later than fourteen (14) days after the close of

the open enrollment period.

5.7.3 The District will pay the Single Coverage Health Benefits Stipend to eligible unit members in two (2) installments. The first installment, which will be 60% of the stipend, will be paid no later than 30 days after the close of the open enrollment period. The second installment, which will be 40% of the stipend, will be paid no later than 15 days after the beginning of the school year that begins in the middle of the related plan year to all eligible unit members who are still in active status at the beginning of that school year. By way of example, for the 2023 plan year, the first installment of the stipend (60%) would be paid in November of 2022, and the second installment (40%) would be paid in August of 2023.

5.7.4 For an employee who qualified for this stipend at the time of open enrollment, who then opts for 1+1 or family medical coverage later in the plan year due to a life event, the District will prorate this stipend based on the number of months remaining in the plan year, and will adjust the employee's contributions accordingly.

5.7.5 For an employee who did not qualify for this stipend at the time of open enrollment, who then opts for single coverage later in the plan year due to a life event, the District will pro-rate this stipend based on the number of months remaining in the plan year, and will pay the stipend in only one (1) installment no later than 30 days after the effective date of the change in coverage.

5.7.6 For an employee who is hired in the middle of the plan year, and who opts for single coverage, the District will pro-rate this stipend based on the number of months remaining in the plan year, and will pay the stipend in only one (1) installment no later than 30 days after the start of coverage.

5.8 **Health Benefits Committee**

A Health Benefits Committee, consisting of members selected by the District, CSEA and CVSTA unit members shall research health benefits providers that offer more competitive rates to all District employees while maintaining at least the same or similar level of benefits and options. Recommendations shall be provided to the committee members' respective bargaining team members.

ARTICLE 6: Leave Provisions

6.1 The benefits which are expressly provided by this Article are the sole

benefits which are part of this Agreement. Other statutory or regulatory leave benefits are neither incorporated, directly or impliedly, into this Agreement nor are such benefits waived by the Association.

6.2 Personal Illness and Injury Leave

6.2.1 Beginning with the 2018-2019 school year, every member of the bargaining unit, except those in Adult Education or Summer School, employed five (5) days per week shall be entitled to the following leave for the purposes of personal illness and injury:

10 Days: All full-time, regularly assigned members with a calendar of 180-189 work days.

11 Days: All full-time, regularly assigned members with a calendar of 190-199 work days.

12 Days: All full-time, regularly assigned members with a calendar of 200-209 work days.

Note: Work days for the purposes of Article 6.2.1 do not include optional professional development days, extra-duty days, summer school days, or any other days worked that are not identified as work days on the unit member's calendar.

6.2.2 A bargaining unit member who completes a full school year of service working less than full-time each week, as defined in Article 4.1, is entitled to injury or illness leave in an amount proportional to ("pro-rata") that of a full-time employee in that assignment.

6.2.3 Credit for leave need not be earned prior to taking such leave by the member and such leave may be taken at any time during the school year, with respect to the limitations set forth in this Article. If a unit member does not render service for an entire year but has used all personal illness and injury leave earned during that year, the amount of compensation received for the leave taken but unearned shall be repaid to the District and the District shall have the right to make any necessary adjustment on the last payroll warrant.

6.2.4 Adult Education and summer school unit members shall be entitled to 0.05 hours of paid leave for every hour worked.

6.2.5 If a unit member does not utilize the full amount of leave as authorized in 6.2.1 above in any school year, the amount not utilized shall be accumulated from year to year.

6.2.6 After all accumulated leave as set forth in 6.2.1 above is exhausted, additional non-accumulated leave shall be available for a period of

time not to exceed five (5) school months, provided that the provisions of 6.2.7 below are met. The amount received while on leave shall not be less than one-half (1/2) or 50% of the employee's salary.

- 6.2.7 Where reasonable doubt exists as to the legitimacy of leave under this Article, or if the member is absent for more than three (3) consecutive days, the District may require a verification of the illness, accident or disability by the unit member's physician. However, if the District requires additional independent verification of the extent of illness, accident or disability, the cost of such examination shall be borne by the District. Upon request by the District, a unit member shall be required to present a physician's verification of fitness to return to duty.
- 6.2.8 A unit member shall notify the District via the designated absence reporting system or process as soon as the need to be absent is known. Should the need for an absence arise after 6:30 A.M. on the morning of the absence, the unit member shall notify the Principal or their designee as soon as possible. Failure to provide adequate notice may be grounds for denial of leave with pay.
- 6.2.9 A full-time unit member who is absent under provisions of this leave or otherwise for less than a full day shall have accumulated leave reduced in increments of thirty (30) minutes, with any portion of thirty (30) minutes counting as thirty (30) minutes.

6.3 **Personal Necessity Leave**

- 6.3.1 Leave which is credited under 6.2 of this Article may be used at the unit member's election for purposes of personal necessity, provided that the use of such personal necessity leave does not exceed seven (7) days in any school year. Leave under this section shall not be accumulative from year to year.
- 6.3.2 For purposes of this provision, personal necessity shall be limited to:
- (a) Death or serious illness of a member of the unit member's immediate family;
 - (b) A serious accident involving the unit member and/ or his/her immediate family or property;
 - (c) Three days per year at the discretion of the employee;
 - (d) Visiting his/her child's school in accordance with Labor Code Section 230.8; and

(e) Other personal necessities which are allowed at the discretion of the Superintendent or designee.

6.3.3 Under no circumstances shall leave be available for work stoppages, slow-downs, extending holidays or vacations, income producing activities, or attending to matters which could reasonably be scheduled outside of work hours.

6.3.4 For purposes of this provision, an immediate family member shall be limited to: mother, father, former legal guardian, grandmother, grandfather, or grandchild of the unit member or of the spouse of the unit member, the spouse, domestic partner as defined by law, son, son-in-law, daughter, daughter-in-law, brother or sister of the unit member, any relative living in the immediate household of the unit member.

6.4 **Parental Leave**

6.4.1 For purposes of this section, "parental leave" means leave for reason of bonding with the unit member's newborn child or with a newly placed child in the unit member's household for adoption or foster care. Parental leave shall be separate and distinct from pregnancy disability leave. In concert with a leave available under section 6.6, a unit member may request parental leave under this section.

6.4.2 When the employee has exhausted all available sick leave under section 6.2, and is absent from his or her duties on account of parental leave, and is eligible for parental leave pursuant to the California Family Rights Act ("CFRA," Government Code Section 12945.2), the employee may receive up to 12 school weeks of paid leave at differential pay compensated at no less than fifty percent (50%) percent of the unit member's regular salary. Such leave will be available once in a school year. There shall be no minimum number of hours worked during the school year for a bargaining unit member to qualify for parental leave, pursuant to Education Code section 44977.5(d).

6.4.3 If an employee seeks to take parental leave, as specified above, but has not exhausted all available sick leave, the employee may use sick leave provided under section 6.2 for parental leave purposes. However, the up to 12-weeks of paid parental leave period shall only be available to employees who exhaust all sick leave before or during the up to 12-week period and shall be reduced by any such period of sick leave taken during the 12-week period of parental leave. Nothing in this section shall be interpreted to prohibit an employee who does not wish to exhaust his or her sick leave from requesting and receiving up to 12 school weeks of

unpaid leave for child bonding purposes under the CFRA, so long as the employee qualifies for such leave.

- 6.4.4 The foregoing provisions are intended to comply with Education Code section 44977.5. Should the Legislature revise the applicable statutory requirements, or should a state agency issue guidance on the applicable statutory requirements, to the extent that the revisions and/or guidance are in conflict with the foregoing provisions, the parties shall promptly meet and negotiate for the purpose of addressing those conflicts.
- 6.4.5 If an employee has exhausted the up to 12-week period of parental leave as set forth above in section 6.4.2, and seeks to continue leave for the purpose of caring for his/her natural or adopted child, the employee may request to receive an additional unpaid leave of absence if in accordance with section 6.11- Other Leaves Without Pay.
- 6.4.6 Employees seeking to take leave under this section shall, if the need for such leave is foreseeable, notify the District that the employee intends to take such leave at least thirty (30) days prior to the anticipated date on which the leave is to commence. If the need for leave is not foreseeable, the employee shall notify the District as soon as practicable.
- 6.4.7 An employee shall notify the District no later than sixty (60) days prior to the ending date of the leave of his/her intent to return to service.

6.5 **Pregnancy Disability Leave**

- 6.5.1 Unit members are entitled to use sick leave as set forth in this Agreement for disabilities caused or contributed to by pregnancy, miscarriage, childbirth, and recovery therefrom on the same terms and conditions governing leaves of absence from other illness or medical disability. Such leave shall not be used for child rearing, or child care, but shall be limited to those disabilities as set forth above. Qualifying leave taken under this section shall run concurrently with leave available under the California Pregnancy Disability Leave Law and the Family and Medical Leave Act as appropriate.
- 6.5.2 Following exhaustion of all available sick leave, including differential leave, unit members are entitled to leave without pay or other benefits for disabilities because of pregnancy, miscarriage, childbirth or recovery therefrom.
- 6.5.3 Unit members on leave pursuant to 6.5.1 and/or 6.5.2 shall request

such leave in writing. The unit member's physician shall recommend the duration of such leave, and upon release the physician's written statement shall include a recommendation as to the ability of the unit member to perform her duties. However, if the District requires additional, independent verification of the extent of disability through a physical examination of the unit member by a physician, the cost of such an examination shall be borne by the District.

continuing treatment by (or under the supervision of) a health care provider; or

- (c) Continuing treatment of a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three (3) calendar days or for prenatal care.

6.6.2.2 “Continuing treatments” include:

- (a) Two or more visits to a health care provider;
- (b) Two or more treatments by a health care practitioner (e.g., physical therapist) on referral from, or under the direction of a health care provider; or
- (c) A single visit to a health care provider that results in a regimen of continuing treatment under the supervision of the health care provider.

6.6.3 **Duration of Leave**

6.6.3.1 Except as provided otherwise under section 6.4, family care and medical leave shall not exceed 12 work weeks during any 12 month period. The 12-month period for calculating leave entitlement shall commence on the date the employee’s first family care or medical leave begins. The 12 weeks of family care and medical leave to which an employee is entitled under the state law shall run concurrently with the 12 week of family care and medical leave to which an employee is entitled under federal law, except for any leave taken under federal law for disability on account of pregnancy, childbirth, or related medical conditions.

6.6.3.2 The right to take a family care and medical leave is separate and distinct from the right to take a pregnancy disability leave under state law.

6.6.3.3 Leave taken for a birth, or placement for adoption or foster care, must be concluded within one year of the birth or placement.

6.6.4 **Terms of Leave**

6.6.4.1 During the period of family care or medical leave, the employee shall use his/her accrued vacation leave, or other accrued time off, or any other paid or unpaid time off

6.6.5 Maintenance of Benefits

- 6.6.5.1 During the period of family care or medical leave, the employee shall continue to be entitled to participate in the District's health plan and the District shall continue to pay health care premiums under such plan on the same terms as if the employee had continued to work during the period of the leave. Any premium payments required to be made by the employee must be paid at the same time as they would have been due by payroll deduction.
- 6.6.5.2 The District may recover health insurance premiums paid on behalf of the employee during the period of the family care or medical leave, if both of the following conditions occur: The employee fails to return from leave after the period of leave to which the employee is entitled has expired and the employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to leave under state or federal law or other circumstances beyond the control of the employee.

6.6.6 Advance Notice of Leave/Intent to Return

- 6.6.6.1 If an employee learns of the need for family care or medical leave more than 30 days before the leave is to begin, he/she shall give the District at least 30 days advance notice. If the employee learns of the need for family care or medical leave fewer than 30 days in advance, he/she shall provide such notice as soon as practicable.
- 6.6.6.2 If leave is needed for a planned medical treatment or supervision, the employee shall make a reasonable effort to schedule the treatment or supervision to avoid disruption of District operations. If leave is taken intermittently or on a reduced leave schedule, the District may temporarily transfer the employee as permitted by law.
- 6.6.6.3 On or before the first day of an employee's family care or medical leave, the employee shall notify the District of his or her anticipated date of return to work. The District may

require periodic updates on the employee's intent to return to work. If, because of changed circumstances, an employee requires more or less leave than originally anticipated, such employee shall give the District at least two business days notice of his or her intent to return to work.

6.6.7 Certifications

- 6.6.7.1 An employee's request for leave because of a serious health condition of the employee or to care for a child, spouse or parent who has a serious health condition or for service-member family leave shall be supported by a certification from the health care provider of the person requiring care.

This certification shall include:

- (a) The date, if known, on which the serious health condition began; and
- (b) The probable duration of the condition.

- 6.6.7.2 In addition, if the request for leave is to care for a family member, the certification shall include an estimate of the amount of time the employee needs to care for the person requiring care and a statement that the serious health condition warrants the participation of a family member to provide care during the period of the leave. If the request for leave is based on the employee's own serious health condition, the certification shall include a statement that, due to the serious health condition, the employee is unable to perform the functions of his/her position.

- 6.6.7.3 If the employee is requesting leave for intermittent treatment or leave on a reduced leave schedule for planned medical treatment, the certification must also state the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of the treatment and the expected duration of the leave.

- 6.6.7.4 In any case in which the District has reason to doubt the validity of any certification provided to support an employee's request to take leave because of the employee's own serious health condition, the District may require the opinion of a second and third health care provider consistent with state and federal law.

6.6.8 Reinstatement/Non-Discrimination

The leave described in this paragraph shall only be available during a single 12-month period. "Next of kin," used with respect to an individual, means the nearest blood relative of that individual. "Covered Service-member" means a member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness.

- 6.8.3 The District has the right to have the unit member examined by a physician designated by the District to assist in determining the length of time during which the unit member will be temporarily unable to perform assigned duties, and the degree to which a disability is attributable to the injury involved. At the option of the unit member, and upon prior written notification, another physician may be selected for such examination.
- 6.8.4 For any days of absence from duty as a result of the same industrial accident, the unit member shall endorse to the District any wage loss benefit check from the appropriate District insurance carrier which would make the total compensation from both sources exceed 100 percent of the amount the unit member would have received as salary had there been no industrial accident or illness.

ARTICLE 10: Grievance Procedure

10.1 Definitions

10.1.1 Grievance: A written statement by a unit member and/or the Association in which an allegation is made that a specific section of the Agreement has been violated (See Appendix E). The statement shall contain a request for a specific remedy or remedies to the alleged violation.

- 10.1.2 Grievant: A unit member or the Association filing a grievance.
- 10.1.3 Days: A grievant's working days, or, by mutual consent, days when the District office is open for business.
- 10.1.4 Informal Step: A required discussion of the allegation between the grievant and the appropriate administrator, in an attempt to resolve the grievance.

10.2 **General Principles**

- 10.2.1 A unit member who believes that this Agreement has been violated may file a grievance. The unit member must utilize the Informal Step, 10.1.4 above, before filing a grievance at Step 1.
- 10.2.2 Either party has the right to the assistance of a conferee or legal counsel at any step in the procedure.
- 10.2.3 If the same grievance, or substantially the same grievance, is filed by more than one unit member, only one unit member on behalf of himself or herself and the other grievants may process this grievance through this procedure. The names of all aggrieved parties shall appear on any documents submitted by the grievant.
- 10.2.4 If the same grievance, or substantially the same grievance, is filed at more than one work location, the grievances may be combined into one grievance by mutual agreement between the Association and the District.
- 10.2.5 Once a grievance has been filed, it shall not be amended. If substantive information was omitted from the original written allegation, the grievant must re-file the amended grievance with the appropriate supervisor at step 1 of this procedure. Such amendment shall not invalidate the timeliness of a previously valid filing of the original grievance.
- 10.2.6 A grievance must be filed within thirty (30) days of the alleged violation, or within thirty (30) days of the time that the grievant should reasonably have known of the alleged violation.
- 10.2.7 The time limits contained herein are considered maximum time limits; however, time limits may be extended by mutual written agreement.

10.3 **Steps in the Grievance Procedure**

10.3.1 Informal Step

Before filing a formal written grievance, the grievant shall attempt to resolve the grievance through an informal conference with the grievant's immediate supervisor as provided in 10.1.4 above. Such conference, as well as the actual formal filing of a written grievance in the event the conference does not resolve the problem, must take place within the applicable time limits as outlined in 10.2.5 above.

10.3.2 Step 1

The written grievance shall be filed with the grievant's immediate supervisor and the Assistant Superintendent, Human Resources. Within twelve (12) days of receipt of the grievance, the immediate supervisor shall confer with the grievant and any witnesses requested by the grievant and render a written decision to the grievant and to the Association.

10.3.3 Step 2

The grievant may appeal the decision from Step 1 to the Assistant Superintendent, Human Resources within fifteen (15) days after receipt of the Step 1 decision. This appeal shall be presented in writing with all documents and printed materials submitted at Step 1. The grievant shall notify the Association of the request for appeal. Within fifteen (15) days of receipt of the appeal, the Assistant Superintendent, Human Resources, shall confer with the grievant and shall render a written decision. Copies of the decision shall be sent to the grievant and to the Association.

10.3.4 Step 3

The grievant may appeal the decision from Step 2 to the Superintendent within fifteen (15) days after receipt of the Step 2 decision. The appeal shall be in writing, and the grievant shall send copies to the Association. Within fifteen (15) days of receipt of the appeal, the Superintendent shall confer with the grievant and shall render a written decision. Copies of the decision shall be sent to the grievant and to the Association.

10.3.5 Step 4

Mediation prior to arbitration shall be pursued if a grievant and/ or Association is not satisfied with the disposition of the grievance at

Step 3. A request for mediation must be submitted in writing to the District within eighteen (18) days after a written decision is rendered or should have been rendered at Step 3.

- 10.3.5.1 Within twenty (20) work days of requesting mediation, the Association shall request that a mediator from the California State Mediation Service, or from any other mutually agreeable dispute resolution center, be assigned to assist the parties in the resolution of the grievance.
- 10.3.5.2 The mediator shall meet with the grievant, the Association, and the District for the purpose of resolving the grievance. The timeline may be extended by mutual agreement of the parties.
- 10.3.5.3 If an agreement is reached, the agreement shall be reduced to writing and shall be signed and shall constitute a settlement of the grievance.
- 10.3.5.4 In the event that the grievant, the Association, and the Superintendent or his/her designee have not resolved the grievance with the assistance of the mediator within ten (10) workdays from the last meeting held by the mediator, the Association may terminate Step 4 and the grievance may proceed to arbitration.

10.3.6 **Step 5**

A grievant who is not satisfied with the decision at Step 4 may request the Association to submit the grievance to arbitration. If the Association concurs with the grievant's request for arbitration, the Association shall, within ten (10) days after receipt of the Superintendent's decision, submit a request in writing to the Superintendent for arbitration of the dispute, and the District shall join in the request. Failure to meet the time limit shall constitute an ultimate withdrawal of the grievance.

- 10.3.6.1 The Association and the District shall attempt to agree upon an arbitrator. If no agreement can be reached, the parties shall request the American Arbitration Association to supply a panel of five (5) names of qualified arbitrators. The District and the Association shall alternately strike names from the list, with the order of striking being determined by lot. The person whose name remains after the striking procedure shall be the arbitrator.

- 10.3.6.2 Steps in the Grievance Procedure may be skipped by mutual agreement between the Association and the District.

10.4 **Authority of the Arbitrator**

- 10.4.1 The District and the Association agree that the jurisdiction and authority of the arbitrator, and the opinion or award expressed by the arbitrator, shall be confined exclusively to the interpretation of the express provisions of this Agreement, nor shall the arbitrator have any authority to impose any limitations or obligations not specifically provided for under the terms of this Agreement.
- 10.4.2 The arbitrator shall be without power or authority to make any decision that requires the District or its administration to do an act prohibited by law, or in violation of this Agreement. The District retains the right to act at its discretion, and the arbitrator cannot rule against such acts unless they are in violation of the Agreement.
- 10.4.3 The arbitrator shall have no power to render an award on any grievance initiated before or after the term of this Agreement.
- 10.4.4 If either party raises the issue of arbitrability, such party raising the issue may request, by written notice to the other party at least forty-eight (48) hours in advance of the hearing, a separate hearing on the issue of arbitrability. Such decision may, upon agreement of the parties, consist of a decision without written opinion. No hearing on the merits of the case will be conducted until the issue of arbitrability has been decided.
- 10.4.5 The decision of the arbitrator shall be, within the limits herein prescribed, final and binding upon the parties in the dispute.

10.5 **Arbitration Procedures**

10.5.1 **Issues**

The arbitrator shall hear evidence on the issue or issues that were submitted to arbitration. If the parties do not agree on a submission agreement, the arbitrator shall frame the issue(s) by referring to the grievance records at Steps 1, 2 and 3.

10.5.2 **Award**

The arbitrator shall submit a written award, with supporting findings, to each party as soon as practicable after submission.

10.5.3 Representation

A grievant may represent himself at all stages of this procedure or, at the grievant's option, and with Association concurrence, be represented by the Association. If the grievant is not represented by the Association or its representative, the Association shall have a right to submit written responses at each step of the procedure.

10.5.4 Costs of Arbitration

The fees and expenses of the Arbitrator shall be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them. Unless the parties agree to share the expenses, the cost of the services and expenses of a court reporter shall be paid by the party requesting same.

10.5.5 Election of Remedies

By filing a grievance and processing it beyond Step 3, the grievant expressly waives any right to statutory remedies or to the exercise of any legal process other than as provided by Article 10. The processing of a grievance beyond Step 3 shall constitute an express election on the part of the grievant that the arbitration procedure is the chosen forum for resolving the issues contained in the grievance, and that the grievant will not resort to any other forum or procedure for resolution or review of the issues. The parties do not intend by the provision of 10.54 to preclude the enforcement of an arbitration award in any court of competent jurisdiction.

Base JROTC instructor pay is specific to an individual JROTC instructor and is determined by the US Department of Defense (DOD). As JROTC instructors work under contract between the DOD and the District, instructor pay shall be published on an annual basis when the District is notified by the DOD of salary changes. Should a JROTC Instructor qualify for CVUHSD Salary Schedule A, they shall be paid the higher of the two rates.

Instructor Pay Calculator (Per Navy JROTC website, September 2018):

D Minimum Salary. Personnel employed shall receive a salary at least equal to the difference between their retired pay and the active duty pay and allowances, excluding incentive pay, which they would receive if ordered to active duty. The institution is the employing agency and shall pay the full salary due to the individual employed. The amount reimbursed to the school is one-half of the minimum salary for each instructor.

D Minimum Salary Changes. The minimum salary for instructors normally changes at least two times per year. The adjustments are based on changes in active duty pay and allowances, retired Consumer Price Index adjustments, and when the Basic Allowance Housing (BAH) for a geographic area is adjusted. In any case, NSTC will provide schools and individual instructors with written notification of changes as they occur

- Instructor Pay Calculator (as calculated by DOD):

$$(A + B + C + D + E) - R = M \text{ (A)}$$
