A PVFA NEGOTIATIONS BULLETIN TO BARGAINING UNIT MEMBERS

PALOS VERDES FACULTY ASSOCIATION | 3551 VOYAGER ST SUITE 105 TORRANCE, CALIFORNIA 90503 | WEAREPVFA.ORG

August 12, 2020

Dear Members,

Your bargaining team met today with the district and continued to make progress. We are down to a few items. One pertains to a language clarification from the district regarding work assignments and we are hopeful it comes back the way it was discussed at the table. For now, we highly recommend you do NOT volunteer to take on multiple learning models until you are provided with the information you need. Wait to hear from your Bargaining Team and Executive Board. You may tell your site administrators that you are waiting for guidance from your association before making any decisions. Do not feel pressured into making decisions.

The other issue is in regards to prep time. We understand the need for adequate preparation time in your distance learning/hybrid daily schedule and continue to emphasize to the district its importance and necessity.

We know that this process is difficult as you wait for answers. We will keep you informed.

Stay strong!

Your Bargaining Team
