## REOPENING AGREEMENT REACHED!

Dear Members,

Your PVFA Bargaining Team is pleased to announce that we have reached a Memorandum of Understanding (MOU) for Reopening Schools in a COVID-19 Environment. Thank you for your patience while PVFA and the District worked through major issues related to the new reality of hybrid/distance learning.

We met with the District virtually on twelve occasions. Your Bargaining Team has put in over 120 hours in ZOOM sessions plus extensive research. We took all of your concerns, needs, and rights and embedded them in this document. Some issues will need to be addressed as the year begins, but everything that could be included in contractual language has been.

We will be posting the MOU in its entirety on [wearepvfa.org](http://wearepvfa.org). It is important for each of you to take the time to read it and become familiar with your rights. We are providing a summary of the MOU contents in an attachment to this document.

This upcoming year will have many challenges for all of us. Look for information from your reps and Executive Board. They will be there for you and keep you informed and supported.

Your Bargaining Team
