ARTICLE 1 - RECOGNITION

- 1.1** Exclusive Bargaining Agent
- 1.1.1** The Redondo Beach Unified School District ("District") voluntarily recognizes the Redondo Beach Teachers Association ("Association") as the exclusive representative for an appropriate unit of employees described below for purposes of meeting and negotiating with the District:
- 1.1.2** The appropriate unit is described as follows: including classroom teachers; special education teachers; special day class teacher; resource specialist teacher; reading specialist; speech pathologist; math specialist; resource teacher; librarian; SI/technology coordinator; P.E. specialist; music teacher (instrumental/general); art specialist; GATE teacher; psychologist; home teacher; counselor; educational advisor; nurse; all regular permanent, probationary and temporary certificated employees assigned to teach summer school, adult school or other extra pay assignment; part-time regular employees serving more than one-fourth of a full-time unit member in a comparable position; teachers on District approved leave of absence.
- 1.1.3** The unit shall exclude all other positions not specifically enumerated above including, but not limited to, all employees designated as management, supervisory and/or confidential employees, all casual employees, all classified employees, all daily substitute teachers; part-time irregular employees; part-time regular employees serving one-fourth or less of a full-time unit member in a comparable position; all adult school employees not described above; all fixed-term contract employees employed for less than one (1) semester; children's center teacher; without limiting the generality of the foregoing exclusion of management, supervisory and/or confidential employees, superintendent, assistant superintendent(s), director(s), principal(s), vice-principal(s).
- 1.1.4** Only those adult school teachers who are also employed by the District as permanent or probationary teachers, full or part-time, or as certificated pupil-service personnel are deemed to be included within the appropriate bargaining unit. Adult school teachers who are not otherwise employed by the District in a certificated position are specifically excluded.
- 1.1.5** The parties agree that the unit is appropriate and that they will not seek clarification of the unit either as to the specific exclusions or the enumerated inclusions.
- 1.2** The Association, in turn, recognizes the Board of Trustees of the District as the duly elected representatives of the people and agrees to negotiate exclusively with this Board or its designated agents through the provisions of Government Code Sections 3540-3549. The Association further agrees that it, its members and agents, shall not attempt to negotiate privately or individually with any Board member.
- 1.3** New certificated classifications created by the District and/or positions added to the designated classes of this recognition agreement shall be subject to negotiations between the District and the Association for inclusion in the bargaining unit. Disputed interpretations shall be subject to resolution through the Public Employment Relations Board ("PERB") and not subject to the grievance procedure contained in this agreement.

ARTICLE 2 - DISTRICT RIGHTS

2.1 The exercise of the following powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof and the use of judgment and discretion in connection therewith, shall be limited only the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.

It is understood and agreed that the District retains all of its powers and authority to direct, manage and control to the full extent of the law including but not limited to the exclusive right to determine:

2.1.1 The financial structure of the District, including sources of income, taxes and debt, investment policies, fiscal and budget control policies and procedures, budgetary allocations, and expenditures apart from those expressly allocated to fund the wages, benefits or other obligations of this Agreement;

2.1.2 The acquisition, disposition, and utilization of all District properties;

2.1.3 All services to be rendered to the public including types and numbers of personnel, facilities, vendors, supplies, materials, vehicles, equipment and tools to be used in connection with such services, the lawful subcontracting of services to be rendered and functions to be performed;

2.1.4 The utilization of personnel not covered by this Agreement, including substitutes, provisional personnel, consultants and supervisory or managerial personnel, and the methods of selection and assignment and compensation of such personnel;

2.2 It is not the intention of the parties, in setting forth the above-mentioned rights of management, to detract or diminish in any way the rights of RBTA or of unit employees as expressly set forth elsewhere in this Agreement. It is the parties' intention that the clear and explicit provisions of the other Articles of this Agreement constitute the only contractual limitation upon the District's rights.

2.3 It is agreed that the contractual rights of the Association and of unit members are set forth in the other Articles of this Agreement and that this Article is not a source of such rights. Accordingly, any dispute arising out of or in any way connected with either the existence of or the exercise of any of the above-described rights of the District, or arising out of or in any way connected with the effects of the exercise of such rights, is not subject to the grievance provisions set forth in Article 13, unless the grievance in question is an allegation that the District has violated an express provision of some other Article of this Agreement, which Article is itself subject to arbitration.

2.4 The failure of the District to exercise any right reserved to it shall not be deemed a waiver of such rights.

2.5 The District retains its right to amend, modify or rescind policies and practices referred to in this Agreement in cases of emergency; limited however to the actual duration of the emergency.

ARTICLE 3 - ASSOCIATION RIGHTS

- 3.1** The Association through its designated officers, professional staff and faculty representatives shall be entitled to the following privileges:

3.5.5 The District shall provide the Association upon request a list of all bargaining unit members in temporary assignments, including name, position, worksite, and length of contract.

3.6 Association Release Time

The Association Leadership and/or designee shall have up to a total of twenty-five (25) days per year of leave, at no loss of pay or benefits, to conduct pertinent Association business at the discretion of the Association. In addition, the Association shall receive a total of 20% FTE release time to be assigned on an annual basis at the discretion of the Association.

3.7 Payment Methods

3.7.1 Payroll Deduction: Only unit members who are members of the Association, or who have applied for membership, may sign and deliver to the District an assignment authorizing deduction of unified membership dues and initiation fees in the Association. Such authorization shall continue in effect from year to year unless revoked in writing by the employee pursuant to the membership agreement. Pursuant to such authorization, the District shall deduct such dues from the regular salary check of the unit member in each month in which a paycheck is received. Deductions for unit members who sign such authorization after the commencement of the school year shall be appropriately prorated to complete payments by the end of the school year.

3.7.2 With respect to all sums deducted by the District pursuant to authorization of the unit member, the District agrees promptly to remit such monies to the Association accompanied by an alphabetical list of unit members and amounts withheld for whom such deductions have been made and indicating any changes in personnel from the list previously furnished. 3.7.3 Direct Pay: Any unit members may pay annually the properly determined dues directly to the Association.

3.8 The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.

3.9 Bargaining Unit Member Rights

3.9.1 The District and the Association recognize the right of employees to form, join and participate in lawful activities of employee organizations and the equal alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall discriminate against a bargaining unit member in the exercise of these alternative rights.

3.9.2 Accordingly, membership in the Association shall not be compulsory. A unit member has the right to choose to become a member of the Association. A bargaining unit member who does not choose to become of member of the Association shall remain a member of the bargaining unit and shall remain subject to the provisions of this Agreement

3.10 Obligations of Parties

The District is under no obligation to make payroll deductions for periods during which a unit member is either terminated from active employment or not on the District's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days. Upon rehiring of any unit member, or upon the recalling of a unit member from layoff status, the District will resume or initiate dues or representation fee deductions for such member only upon a valid dues/representation fee deduction authorization as defined herein.

- 3.11** The District and the Association shall collaborate in the development and/or revision of forms required in relation to implementation or enforcement of the Agreement.

ARTICLE 4 - HOURS

4.1 Unit members' regularly assigned on-site duty hours shall be as follows:

TK-5	8:00 a.m. to 3:15 p.m.
6-8	7:40 a.m. to 3:03 p.m.
9-12	8:15 a.m. to 3:38 p.m.

or equivalent on-site duty hours. The term "equivalent on-site duty hours" is limited to accommodating the district's exclusive discretion to schedule the beginning and ending of the instructional day at other times depending upon the needs or practices at an individual school site, provided that the district shall not alter the above starting and ending times by more than one-half hour each. Unit members are encouraged to remain for a sufficient period after the close of their assignment to attend to those matters, which properly require attention at the time.

Notwithstanding the foregoing, individual school sites may establish variable schedules subject to the following conditions:

- 1) Such schedules must provide the annual instructional minutes required to meet SB813 longer day/longer year requirements;
- 2) The schedule must be approved by a majority of the faculty at the school site and by the site administrator;
- 3) The schedule must be presented with rationale in support of the variation. The affected site representative(s) shall be provided an additional copy of the proposed schedule for forwarding to the RBTA office.
- 4) Implementation of the schedule is subject to final approval by district level administration, i.e., Superintendent or his/her designee;
- 5) Approval is valid for only one school year at a time;

4.1.1 On a district-wide basis, the following principles shall apply:

- A) Annualized instructional minutes shall at least meet SB813 minimal requirements to maintain longer day/longer year funding; and
- B) The district will not unilaterally increase instructional minutes over the level regularly scheduled for the 1992-93 school year.

Regularly assigned student contact time shall be as follows:

<u>Grade Level</u>	<u>Time</u>
K	200 minutes per day
1-2	285 minutes per day
3-8	300 minutes per day
9-12	310 minutes per day

For purposes of this article, the phrase "student contact time" relates to the regularly assigned instructional day and is not intended as, nor shall it be, a limitation upon assignments outlined in paragraphs 4.4 and 4.5 below.

- C) Kindergarten teachers shall work with students for 85 minutes before or after their assigned class period and before or after their preparation time.

4.1.2 The work-year of unit members shall be 185 days, which includes two paid non-student days for the purpose of participating in professional development.

4.2 Unit members shall be entitled to a minimum duty-free lunch period of thirty (30) minutes and shall be granted a duty-free lunch period not to exceed sixty (60) minutes if consistent with past practice and their assigned students' lunch period at their respective schools.

4.3 Unit members contracted to work in other assignments shall work eight (8) hours per day unless otherwise specified herein or in their annual employment contract.

Nurses, counselors, and speech and language therapists shall be assigned to the classroom teacher workday. Home teachers' assignments are hourly as needed.

The work-day of transition teachers may vary, but must commence no earlier than 7:45 A.M.; may not exceed eight (8) hours and must include a minimum duty-free lunch period of thirty (30) minutes.

Traveling teachers shall work the same hours as regular teachers unless the traveling teacher is a part-time teacher, or by mutual written agreement has accepted a part-time assignment. Traveling teachers shall be required to attend staff meetings at only one school and shall not be required to fulfill adjunct or extra duties at more than one school.

No unit member shall be required to work a split shift unless by mutual written consent. For purposes of determining a split shift the conference period shall be considered a continuation of assignment.

4.4 In addition to the hours outlined in 4.1 above, high school unit members shall attend Back-to-School Night and Commencement; elementary and middle school unit members shall attend Back-to-School Night and Open House.

All RBTA members who attend and monitor students during bi-yearly music performances will receive one hour release/compensation time for each event to be taken with the approval of their site administrator.

The District and the Association acknowledge that there are professional responsibilities outside the scope of this article that may require consultation between a teacher and the site administrator or supervisor that may extend beyond the contractual workday consistent with district practices (Examples: addressing a parent concern, disputes involving members, or unplanned events that need timely resolution). These may extend past 3:03 p.m. (for 9-12) and past 3:15 p.m. (for K-8), except as provided in Section 4.4.1. below.

4.4.1. Faculty meetings ideally will focus on collaboration, District program implementation and professional development. Schools shall have either two faculty meetings per month that last up to 60 minutes or one meeting per month that lasts up to 120 minutes, unless an extra meeting is added as necessary. Where practicable, middle schools should strive to combine faculty meetings focusing on collaboration and professional development with existing banked-time. Meetings shall commence not later than 30 minutes after student dismissal at all levels. Beginning and ending times shall be published by site principals a minimum of one week in advance. Agendas will be published a minimum of 24 hours in advance of the meeting and RBTA will be listed on the agenda. Redondo Union High School will strive to have faculty meetings of no more than 60 minutes in length and not more than ten meetings during the year.

4.4.2. The District will make every effort to conduct IEPs, 504s and SSTs during the normal work hours as defined in Article 4.1. The District shall make a good faith effort to minimize both the number of IEPs, 504s and SSTs extending beyond the normal work hours and the number of IEPs, 504s and SSTs impacting the planning time of unit members by modifying the start times of IEPs, 504s and SSTs as needed. In no way shall a meeting during a member's regularly scheduled duty free lunch time impact his/her ability to take a duty free lunch before or after the scheduled IEP, 504 or SST meeting. If an IEP, 504 or SST needs to be rescheduled, it shall not be the responsibility of the unit member to reschedule the meetings.

4.4.3. Fall parent/teacher conferences are mandatory. Spring parent/teacher conferences shall be scheduled at the discretion of the teacher unless the student is in danger of receiving a "D" or "F", or its equivalent in elementary school, or if a parent requests such a conference. Conferences may be held virtually at the request of parent or guardian.

4.5 During the term of this agreement, the district will continue to assign preparation time to instructional unit members. Generally, the time between the end of the last teaching period and the end of the on-site duty day shall be set aside for preparation time, subject to the provisions of paragraph 4.4. Assignment of preparation periods to grades 7-12 in middle schools and high schools shall remain unchanged.

Preparation time/period, regardless of when scheduled, shall be a period of time set aside for carrying out professional responsibilities relating to classroom teaching, preparation, student and/or parent guidance and counseling. It is understood and agreed that on certain occasions, the district may reduce the preparation time for an individual unit member or group of unit members on minimum days or reduce or eliminate the preparation time/period in cases of emergency.

4.6 A joint committee shall work on arriving at a mutually acceptable calendar or calendars on a multi-year basis. The calendar is attached as Appendix D.

4.6.1 For elementary level (TK-5), there will be 6 minimum days reserved for Fall parent teacher conferences. These days shall be 6 consecutive (Monday, Tuesday, Thursday, Friday, Monday, Tuesday) not including Wednesdays.

4.6.2 The first and last student day of any school calendar year will be regular minimum day schedule for elementary level (TK-5).

4.7 Unit members new to the district may be required to attend an orientation. Any unit members attending such an orientation shall be compensated at either their hourly rate or the curriculum rate identified in Appendix C, whichever is greater.

4.8 Period Substitution

4.8.1 Unit members assigned to teach a class during his/her preparation period as a substitute for an absent unit member shall be paid at the rate of \$50 per period. For purposes of this Article a block period is defined as two (2) periods. For elementary unit members who are assigned an overage/extra, not to exceed 14 students, or extra assignment for any portion of the work day shall be paid at the additional rate of \$50 per hour.

Beginning with the 2023-2024 school year, unit members assigned to teach a class during his/her preparation period as a substitute for an absent unit member shall be paid at the rate of \$55 per period. For purposes of this Article a block period is defined as two (2) periods. For elementary unit members

who are assigned an overage/extra, not to exceed 14 students, or extra assignment for any portion of the work day shall be paid at the additional rate of \$55 per hour.

- 4.8.2** Unit members assigned to grades 7 through 12 may elect to be paid cash or take compensatory time off.
 - 4.8.3** For unit members who opt to earn a full day of compensatory time off, the unit member must have taught five (5) periods at the 7 through 12-grade level.
 - 4.8.4** Compensatory time off must be taken in full day increments within the fiscal year earned. If not taken by May 31, it shall be paid for in cash. Unit members may not use compensatory time off during the month of June. Scheduling of compensatory time off requires three working day advance notice. The principal may deny such requests when, in the principal's judgment, too many unit members at the same site have requested the day off; in such event requests will be granted in the order received.
- 4.9** The District may establish a zero or seventh period class at any secondary school site. The purpose of the class is to provide master schedule flexibility for students. The scheduling of the course is dependent upon a teacher agreeing to the alternate schedule. The teacher of record shall be assigned to a Period 0-5 or Period 2-7 work day with a conference period included during that time. If faculty meetings are scheduled during 0 or 7th period, all information related to the meeting shall be forwarded to the 7th period teacher of record. The teacher of record shall have the choice to attend any scheduled district and/ or site staff development opportunities that occur during the 0 or 7th period with the district providing a substitute. The zero or seventh period teacher of record shall also have release time covered by a substitute for Back to School nights or any other after hours contractual events, Open House and Back to School nights, all parent conference days during which s/he has conferences scheduled and during standardized testing. The teacher of record shall not lose sick leave time when released for these functions. For physical education classes, the teacher of record shall not be responsible for supervising students of the opposite gender in their locker room. Supervision of any activities (ie- dressing out, etc.) of any and all opposite gender students in the opposite gender locker rooms shall be provided by administration/ employee designee on campus during 0 and 7th period. Supervision of non-7th period PE class students shall not be the responsibility of the assigned teacher of record. If the assigned teacher is absent, a substitute shall be assigned the class. Such assignments shall not be made if they result in the elimination of bargaining unit member positions at individual school sites.
- 4.10** The District and the Association agree that all bargaining unit members need access to quality professional development, training, collaboration, and informative staff meetings. For the purposes of this agreement:
- 4.10.1** Professional development is defined as continuing education of certificated staff in order to develop new skills, stay up to date on research and educational trends, and increase staff efficacy. This may be facilitated by district staff, site administrators, outside professionals, or site-based leadership (such as IL members or department chairs). Professional development may take place on scheduled early release days or on district-wide, designated pupil free days. At the elementary and middle school levels, not more than a total of eight (8) of the regularly scheduled early release days may be used for the purpose of whole school and/or grade level professional development. At the high school level, no more than a total of eight (8) of the regularly scheduled late start days may be used for the purpose of whole school, department, and/or grade level professional development. Professional development will be designed with consideration of input from elected site leadership teams pursuant to Article 3.2.3.

- 4.10.2** Collaboration is defined as time reserved for bargaining unit members to work in content or grade-alike groups to compare best practices, plan lessons, review student work, participate in professional learning communities, etc. The tasks and products of collaboration may vary depending on the needs of the grade level, department, or content-alike groups. At the elementary and middle school levels, at least 50% of the regularly scheduled early release days shall be reserved for collaboration. At the high school level, at least 50% of the regularly scheduled late start days shall be reserved for collaboration.
- 4.10.3** Faculty meetings will ideally focus on collaboration, District program implementation and professional development. All schools shall have either two faculty meetings per month that last up to 60 minutes or one meeting per month that lasts up to 120 minutes. Dates, starting times, and ending times of these meetings shall be presented to the faculty within the first 30 days of school. If an alteration to this calendar is necessary, the site administrator shall make every effort to give at least 7 calendar days' notice. Meetings shall commence no later than 30 minutes after student dismissal at all levels. Agendas will be shared a minimum of 24 hours in advance of the meeting and RBTA will be listed on the agenda. At the elementary and middle school levels, those regularly scheduled early release days not designated for professional development or collaboration may be used for faculty meetings. At the high school level, those regularly scheduled late start days not designated for professional development or collaboration may be used for faculty meetings.

ARTICLE 5 - SAFETY CONDITIONS OF EMPLOYMENT

- 5.1 The District shall provide safe, clean, sanitary working conditions for all unit members within the fiscal capabilities of the District. Subject to these fiscal capabilities, the District shall monitor and correct unsafe conditions. The District will make a conscientious effort to implement and use practices and procedures recommended by the District Safety Officer for the safety of unit members and unit members will comply with District safety procedures.
- 5.2 Unit members will not be required to perform tasks that endanger their health and safety. When required to move to a new work location or classroom, unit members shall not be required to do more than pack and unpack their effects to be transferred. Unit members may notify their immediate supervisor in writing concerning conditions which, in their opinion, would directly affect their physical welfare. The supervisor, together with the District Safety Officer, will investigate the reported condition and advise the unit member in writing of their findings and any corrective action which will be taken. The administrative response will be made within five (5) days of the initial written notification.
- 5.3 All accidents to unit members shall be reported immediately to the principal or his/her designee. The principal shall review the cause and work for the elimination of said cause.
- 5.4 The District agrees to make available to unit members a workroom on each site.
- 5.5 Chest X-rays or intradermal tests as mandated by the District or by statute shall be filed by unit members as required. The District agrees to bear the cost for these tests when taken at County facilities or mobile units. Unit members who wish to go to their personal physician may do so at their own expense.
- 5.6 **Assault**
- 5.6.1 Unit members shall be informed of any student enrolled in their class pursuant to Educational Code #49079 whenever that information is made available to the District. Unit members may use reasonable force under circumstances which require that they defend themselves or students against an assault--provided, however, that such force does not exceed that which is needed to repel or protect from bodily injury, and provided further, that the unit member report any such incident to the immediate supervisor within a 24-hour period. The above provision shall not be read as a requirement that unit members must place themselves in danger of serious bodily injury in order to protect another employee or student from an assault.
- 5.6.2 Unit members shall notify their principals immediately in all cases of assault suffered by them in connection with their employment. The principal shall investigate the assault, obtain information from all sources and, upon request, accompany the unit member in court appearances arising out of the assault.
- 5.6.3 Unit members who are assaulted shall file a report or complaint with the local police department.

Additionally, the District recognizes its obligation not to exceed enrollment of 24 for TK, 27 for grades K-3, and 35 for grades 4-12 (except for such traditional large group classes for which a stipend is paid; e.g. ASB, band, orchestra, yearbook, journalism, visual and performing arts, vocal music, etc.) for a period of 15 consecutive work days following the start of each semester/trimester or seven consecutive working days during the school year. - 6.1.5** Where only one class exists within a school that can accommodate the needs of the enrolling students (for reasons such as program offering, qualifications, specialized training/authorization, etc.) and which thereby prevents the opening of an additional class or section, the receiving teacher shall receive an additional \$50 per student, per semester or trimester. All compensation shall be prorated according to the percentage of days per semester/trimester that a student is enrolled on the teacher's roster.

- 6.1.6** The District will make every effort to place students with IEP's and/or 504 plans proportionally among general education teachers. Unit members with a disproportionate number of students on IEP's and/or 504 plans as compared to the other teachers in the same grade level or department at their site shall be provided relief through measures such as, but not limited to, being assigned a classroom aide, reduced class size, reduced number of subject preparations at the secondary level, etc.

The principal will review the plan, make suggestions, additions and outline expected outcomes before granting the deferral. In the years that follow, the principal/evaluator will continue to observe, meet with and discuss the progress of the teacher on his/her self-determined plan. No documentation or written reflections will be required during the deferral years. However, should a principal/evaluator determine after observation, dialogue and feedback that the teacher is not pursuing the objectives of his/her plan then the principal/evaluator would meet with the teacher and may rescind the deferral.

If requested by the district management, a unit member shall not return to work until a medical doctor's authorization to return to work is submitted at district's expense.
- 10.1.6** Unit members are expected to notify the designated school person of their intent to be absent, whenever practicable, by 7:00 a.m. When an illness leave is anticipated to last for three (3) or more consecutive days, unit members shall notify their supervisor prior to the leave. For illness leaves anticipated to last five (5) or more consecutive days, unit members shall submit a Leave of Absence form no less than two (2) weeks prior to the start of the leave, when possible. Failure to provide adequate notice may be grounds for denial of leave with pay or other disciplinary action. A unit member shall make a reasonable attempt to notify the district prior to the dismissal time of the final class of the work day, of the employee's intent to return or not to return the following day.
- 10.1.7** Members of the unit may be required to have a medical or psychiatric examination(s) by district approved physician(s). Such examination(s) will be at district expense.

10.1.8 Employees shall be given credit for all unused leave of absence for illness or injury accrued while serving in another California school district as prescribed in Education Code Section 44979. Such unused leave of absence for illness or injury will be credited to the paid employee only upon receipt of official notice from the California school district of prior employment and verification of the amount of unused sick leave. Such credit for unused leave of absence for illness or injury will be given only to employees who have been employed by a California school district in the year prior to the acceptance of employment in the district. When an employee terminates employment after one year or longer with the district and accepts employment with another California school district in the succeeding year, the unused leave of absence for illness or injury shall be computed and forwarded to the new district of employment upon request.

10.2 Catastrophic Sick Leave

10.2.1 The District shall maintain an RBTA Catastrophic Leave Bank. This Catastrophic Leave Bank shall be maintained to provide paid leave to bargaining unit members who have exhausted all earned sick leave as described in Section 10.1 above who are suffering from catastrophic illnesses or injuries as verified by a physician and are not receiving benefits provided by any income protection insurance program. Catastrophic leave shall also be available to unit members who need to care for an immediate family member who is suffering from a catastrophic illness or injury as verified by a physician. The District shall provide the Association upon request a statement of activity on the bank for the prior month as well as the monthly ending balance of days in the bank.

10.2.2 A probationary or permanent unit member may donate up to five (5) days of sick leave per year to the Catastrophic Leave Bank described in Section 10.2.1 above. Such donations shall be irrevocable. Sick leave which is donated under this section shall be deducted from the accrued sick leave authorized under Section 10.1 above. A bargaining unit member who wishes to donate sick leave shall execute an authorization for the donation of the sick leave and an assignment of the leave to the leave bank. This authorization must confirm the understanding that the donation of sick leave to the Catastrophic Leave Bank is voluntary and irrevocable. The authorization must further indicate unit member agreement to indemnify and hold the District and the Association harmless from any claims, demands, or causes of action related to the donation. Solicitations for donations to the Catastrophic Leave Bank shall be the sole responsibility of the Association.

10.2.3 A catastrophic illness or injury shall be defined by Education Code Section 44043.5. The District and the Association reserve the right to amend the definition of a catastrophic illness or injury upon mutual agreement. The use of catastrophic leave by a bargaining unit member shall be by mutual agreement of the District and the Association.

10.2.4 While utilizing the Catastrophic Leave Bank, a unit member shall be deemed to be on a paid sick leave. One donated day, when combined with one day of substitute differential pay, shall cause said unit member's daily rate of pay to remain at 100%. A bargaining unit member who has been approved to use catastrophic leave agrees to indemnify and hold the District and the Association harmless from any claims, demands, or causes of action related to the use of said leave.

10.2.5 This section supersedes any obligations of the district under Education Code Section 44043.5.

10.2.6 Any further regulations regarding the administration of the Catastrophic Leave Bank shall be mutually developed by the District and the Association.

10.3 Personal Necessity Leave

- 10.3.2** The applicant for such leave shall not be required to state the reason for taking such leave, but shall affirm that the absence is only for an acceptable reason for personal necessity as designated on the absence form and acknowledge that abuse of personal necessity leave could subject the unit member to disciplinary action up to and including dismissal.
- 10.3.3** Before the utilization of personal necessity leave, a unit member shall make a reasonable effort to provide twenty-four (24) hours prior notice to the supervisor or designee in compliance with District procedures to enable the District to secure a substitute. However, no advance permission shall be required for personal necessity leave taken for:
- a. Death or serious illness of a member of the unit member's immediate family;
 - b. An accident involving the unit member's person or property, or the person or property of a unit member's immediate family.

If the Board finds, and by resolution declares, that the interest of the District will be protected by the written agreement of the employee to return to the service of the District and render at least two (2) consecutive years' service therein following his/her return from the leave, the Board in its discretion may waive the furnishing of the bond and pay the employee on leave in the same manner as though a bond is furnished.

Such report shall contain a detailed description as to the activities of the unit member, together with the unit member's appraisal of the professional value of the experience gained while on sabbatical leave, the manner in which such experience or knowledge gained may be used for the benefit of the students or the school in which the unit member is located, and any other data necessary for a satisfactory report and which contains transcripts of all college and university study while on leave.

In the event of changed conditions, the unit member returning from sabbatical leave shall be reinstated and be assigned work appropriate to the field of his/her training, with the appropriate salary status including any increments allowed.

10.5 Exchange Teaching Leave

An exchange leave is a leave granted at the District's discretion to permit an employee to serve as an exchange employee in any foreign country or in any state, territory, or possession of the United States.

Plan A (Applies to exchanges in California)

The Redondo Beach Unified School District employee is paid by the other district and is to receive the rate of pay on the other district's salary schedule nearest to the rate received in the Redondo Beach Unified School District, but not more than the other district employee would receive.

Plan B (Applies to exchanges outside California)

The Redondo Beach Unified School District employee is paid by the Redondo Beach School District at his/her regular rate. This plan is limited to exchanges with states or countries where the other employee will receive an adequate salary for living in that particular community.

Plan C (Applies to exchanges outside California)

The Redondo Beach Unified School District employee is paid by the other district at a negotiated rate.

10.5.4 At the completion of any exchange, the Redondo Beach Unified School District employee shall return to duty in the Redondo Beach Unified School District and shall serve full time for at least two (2) consecutive years before being eligible for another exchange assignment.

10.5.5 Credit for service on exchange leave counts toward advancement on the salary schedule as if such service were given in the Redondo Beach Unified School District, provided that the employee served a sufficient number of days in the exchange position to have been paid at least seventy-five percent (75%) of the salary agreed to in the contract signed with the outside district. A notarized affidavit shall be filed verifying this service.

10.5.6 Service on an exchange leave grants credit toward retirement. If retirement contributions are not deducted from compensation, the employee must personally arrange for payment of required contributions.

10.5.7 If the employee wishes to request an extension of the exchange leave, such request shall be made not later than two (2) months prior to the expiration of his/her leave.

10.6 Bereavement Leave

For the purposes of this section, relatives by virtue of marriage and relatives by virtue of court action shall be considered as natural or legal relatives.

10.6.3 Bereavement Leave may be taken during Summer School.

10.7 Pregnancy-Related Disability Leave

Disability caused by pregnancy, miscarriage, childbirth and/or recovery therefrom shall be treated as any other non-industrial temporary medical disability and is eligible for protection under FMLA for unit members qualifying under the terms of Article 10.13.1. It is the practice of the District to grant sick leave as set forth in Article 10.1 for disabilities caused or contributed to by pregnancy, miscarriage, childbirth, and recovery from childbirth on the same terms and conditions governing leaves of absence from other illness or medical disability. The length of such leave, including the date on which the leave shall commence and the date on which the duties are to be resumed, shall be determined by the unit member's physician in consultation with the unit member. However, the Superintendent or his/her designee can require a verification of the extent of disability through a physical examination of the unit member by a physician appointed by and paid for by the District.

10.7.1 Parental Leave

Parental leave is separate and distinct from pregnancy-related disability leave. Parental leave shall be defined as leave for the birth of a child of the unit member, or the placement of a child with a unit member in connection with birth via surrogacy, adoption or foster care by the unit member. A unit member may use his or her sick leave for purposes of parental leave (child bonding) for a period of up to twelve (12) workweeks, pursuant to Education Code 44977.5. Accumulated sick leave must be exhausted prior to use of differential pay.

10.7.1.1 A unit member granted a Parental Leave will receive the difference in pay of the unit member and that of a substitute, but in no case less than 50% of his or her regular pay if he or she exhausts all available sick leave, including all accumulated sick leave, and continues to be absent from his or her duties on account of parental leave pursuant to Government Code section 2945.2 (CFRA child bonding leave), provided that the leave occurs during the contract year.

10.7.1.2 The District will continue health coverage for the unit member on Parental Leave (section 10.7.1) as otherwise provided if the unit member was not on leave.

10.7.1.3 The unit member will have the right to continue health coverage at their own expense if granted an unpaid extension of the leave by the District upon expiration of the twelve (12) week period.

10.8 Leave Without Pay for Child Bearing Preparation and Child Rearing

10.8.1 Leave without pay or other benefits (except as required by law) may be granted at the discretion of the District to a unit member for preparation for child bearing and/or Child-Care not covered under the terms of Article 10.7.1 through 10.7.1.3. Such leave may be requested by unit members who either do not qualify for the twelve (12) week leave period delineated in Articles 10.7.1 through 10.7.1.3 or those qualifying members who wish to apply for leave of absence in excess of the twelve (12) week period. Any leave request under this article exceeding twelve (12) weeks may be granted at the discretion of the District.

10.8.2 The unit member shall request such leave as soon as practicable, but no less than thirty (30) calendar days prior to the date on which the leave is to begin except in cases of emergencies. Such request shall be in writing and shall include a statement as to the dates the unit member wishes to begin and end the leave without pay.

10.8.3 The determination as to the date on which the leave shall begin and the duration of such leave shall be made at the discretion of the Superintendent or designee when considering the scheduling and replacement problems of the District and the needs and interests of the teacher.

10.8.4 The duration of such leave shall consist of no more than twelve (12) consecutive months and shall automatically terminate on June 30 in the school year in which such leave is granted. An extension of leave may be granted, not to exceed an additional twelve (12) months. The District shall comply with applicable law in granting or denying leaves for specific durations.

10.8.5 There shall not be a diminution of employment status while on leave for child bearing or child rearing except that no unit member shall be entitled to compensation, increment, nor shall the time taken on parental leave count toward credit for probationary unit members in earning tenure status.

10.8.6 If a unit member is on leave for child bearing or child rearing and in the event of a miscarriage or death of a child subsequent to childbirth, the unit member may request an immediate assignment to a unit position. If there is a vacancy for which a unit member is qualified, the District will assign the unit member to a position as soon as practicable.

10.8.7 Unit members on leave may continue to participate in District-maintained health and welfare benefits (excluding State Teachers Retirement System and income protection plans) by arranging with the District to prepay appropriate premiums for such health and welfare benefits to the District, or as required by law.

10.9 Industrial Accident Leave

10.9.1 Unit members may be entitled to industrial accident leave according to the provisions of Education Code Section 44984 for personal injury which has qualified for workers' compensation under the provisions of the State Workers' Compensation Insurance Program.

10.9.2 Such leave shall not exceed sixty (60) days during which the schools of the District are required to be in session or when the unit member would otherwise have been performing work for the District in any one fiscal year for the same industrial accident. Leaves pursuant to this section shall not be deducted from earned sick leave.

10.9.3 The District has the right to have the unit member examined by a physician designated by the District at the District's expense, to assist in determining the length of time during which the unit member will be temporarily unable to perform assigned duties and the degree to which a disability is attributable to the injury involved.

10.9.4 For any days of absence from duty as a result of the same industrial accident, the unit member shall endorse to the District any wage loss benefit check from the appropriate insurance fund which would make the total compensation from both sources exceed 100% of the amount the unit member would have received as salary had there been no industrial accident or illness. If the unit member fails to endorse to the District any wage loss disability indemnity check received on account of the industrial accident or illness as provided above, the District shall deduct from the unit member's salary warrant the amount of such disability indemnity actually paid to and retained by the unit member.

10.10 Military Leave

Military leave shall be provided in accordance with statutory provisions.

10.11 Legal Proceedings Leave

10.11.1 Employees called for jury duty, or subpoenaed to appear in court, in any case other than one in which the employee is a litigant, shall be granted a leave of absence with pay. During this period, the employee shall be paid the amount of the difference between his/her earnings and the amount received as a jury fee. A statement of the amount paid the employee as a jury fee shall be submitted as a basis for determining the District's financial responsibility.

10.11.2 Not more than two percent (2%) of the staff shall be granted such leave with pay at any one time.

10.11.3 As soon as the unit member is called for jury duty he/she shall report it to his/her immediate supervisor. Upon direction of the supervisor, the unit member shall seek a postponement of jury duty to a time most convenient to the District. The request for postponement shall not be made solely for the purpose of rescheduling jury duty to a non-duty day.

10.11.3.1 Unit members shall be credited up to two (2) sick days as an incentive to postpone jury duty to summer months. One (1) sick day shall be earned for each day of jury service up to the maximum of two (2) sick days provided for in this Article. Unit members shall have the option to be paid the regular sub rate in lieu of being credited a sick day. Evidence of postponement and completion must be submitted to the payroll department for verification.

10.12 Personal Unpaid Leaves

10.12.1 The District may grant leaves of absence without pay for reasons other than those generating other leaves under this Article. Unit members who wish to apply for a personal unpaid leave must obtain prior approval of their immediate supervisor and submit their application to the District Office of Human Resources by April 15 for leaves encompassing either the fall semester or the entire school-year. Applications received after April 15 may be subject to summary denial. Unit members will be informed by the Assistant Supervisor of Human Resources or designee by May 15 if the approval for leave was granted or denied. Any unit member on an unpaid leave of absence may continue to be covered under District health and welfare plans by paying to the District the amount of the full premiums to maintain his/her health and welfare plans. The application for unpaid leave of absence shall be in writing on the appropriate District form.

10.12.2 The unit member on such leave shall notify the District Human Resources Office by April 15 of the school year during which leave was granted as to an intent to return to duty the following school year.

10.12.2.1 Upon return from leave, the employee will be guaranteed a position for which they are qualified and credentialed.

10.12.2.2 There shall be no loss of seniority.

10.12.2.3 Leaves approved by the Board will be for one (1) year only. Leaves of less than 75% of a school year shall not count toward this one (1) year restriction. The Board may extend the leave period beyond one (1) school year at its discretion.

10.13 Family Medical Leave Act (FMLA) and California Family Rights Act (CFRA)

The following article delineates some of the terms of the Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) which offer protections to eligible unit members for certain types of leaves of absence. While described in part herein, the terms and conditions of eligibility are matters of law and are not part of this collectively negotiated Agreement. The District shall provide written notice to bargaining unit members if the District designates unit member leave time as Family Care and Medical Leave or other protected leaves.

10.13.1 A unit member is eligible for leave if he/she:
a) has been employed for at least 12 months;
b) has actually worked for at least 1,250 hours during the 12 month period immediately preceding the commencement of the leave.

10.13.2 Leave is only permitted for the following reasons:
a) the birth of a child or to care for a newborn of a member;
b) the placement of a child with a member in connection with the adoption or foster care of a child.
c) leave to care for a child, parent or a spouse who has a serious health condition; or
d) leave because of a serious health condition that makes the member unable to perform the function of his/her position.

10.13.2.1 A serious health condition includes an illness, injury impairment, or physical or mental condition that involves:

- a) any period of incapacity or treatment in connection with a hospital, hospice or residential medical care facility; or
- b) any period of incapacity requiring absence from work, of more than three (3) calendar days that also involves continuing treatment by (or under the supervision of) a health care provider; or
- c) continuing treatment of a health care provider for a chronic or long term health condition that is incurable.

10.13.2.2 Continuing treatments include:

- a) two or more visits to a health care provider; or
- b) two or more treatments by a health care practitioner on referral from, or under the direction of a health care provider; or
- c) a single visit to a health care provider that results in a regimen of continuing treatment under the supervision of the health care provider.

10.13.3 Amount of Leave

Eligible unit members are entitled to a total of twelve (12) workweeks of leave during any twelve (12) month period. A member's entitlement to leave for the birth or placement of a child for adoption or foster care expires twelve (12) months after the birth or placement. The twelve month period for calculating leave entitlement will be a "rolling period" measured forward from the date leave is taken and continues with each additional leave day taken. A member's request for leave of less than two weeks' duration will not be granted absent medical certification that such leave is medically necessary. If the parents are district employees, each unit member (parent) is entitled to a total of twelve (12) workweeks of leave for birth, adoption, or foster care placement in a one (1) twelve month period.

10.13.4 Members Benefits While on Leave

Leave under this Article is unpaid. While on leave, unit members will continue to be covered by the District's medical, dental, and vision insurance. However, unit members will not be covered under the District's income protection and other benefit plans unless members make the appropriate contributions for continued coverage.

If a unit member fails to return to work after his/her leave entitlement has been exhausted, the District shall have the right to recover its share of health plan premiums for the entire leave period, unless the member does not return because of the continuation, recurrence, or onset of a serious health condition which would entitle the member to leave, or due to other circumstances beyond the control of the employee. The District shall have the right to recover premiums through deductions from any sums due the unit member (e.g. unpaid wages, vacation pay, etc.).

10.13.5 Medical Certification

- A. The District may require members who request leave to provide written certification from the health care provider of the individual requiring care. If the leave is requested because of the member's own serious health condition, the certification must include a statement that the member is unable to perform the essential functions of his/her position.
- B. If the District has reason to doubt the validity of a certification, the District may require a medical opinion of a second health care provider chosen by the District. If the second opinion is different from the first, the District may require the opinion of a third provider approved by the District and the member. The opinion of the third provider will be binding.
- C. The District may require certification of the serious medical condition of a family member, including a health care provider's certification that the unit member is needed to care for the family member.

10.13.6 Member Notice of Leave

Although the District recognizes that emergencies arise which may require members to request immediate leave, members are required to give as much notice as possible of their need for leave. If leave is foreseeable, at least thirty (30) days' notice is required. In addition, if a member knows that he/she will need leave in the future, but does not know the exact date(s) (e.g. for the birth of a child or to take care of a newborn) the member shall inform his/her supervisor as soon as possible that such leave will be needed. If the District determines that a member's notice is inadequate or the member knew about the requested leave in advance of the request, the District may delay the granting of the leave until it can, in its discretion, adequately cover the position with a substitute.

10.13.7 Upon conclusion of the leave, if the employee is able to resume his/her employment, he/she shall be reinstated to the same or comparable position as held prior to commencing such leave. The guarantee of reinstatement may not apply where for legitimate business reasons, unrelated to the

taking of leave, the employee's position has been eliminated, provided the employee is accorded the same layoff and recall rights and status as he/she would have had if working at the time of layoff. Nothing herein precludes the District from dismissing the employee for cause (permanent) or for valid reasons (if probationary).

As a condition of restoration of a member whose leave was due to the member's own serious health condition, which made the member unable to perform his/her job, the member shall obtain and present a fitness-for-duty certification from a health care provider that the member is able to return to work. Failure to provide such certification will result in denial of restoration.

10.13.8 When requesting a leave, unit members shall fill out the "Leave of Absence Form" and "FMLA Certification of Health Care Provider" form, when applicable, which can be found on the District website. These forms will enable the District to satisfy its record keeping obligations.

10.14 Job Sharing

10.14.1 The District may authorize teams of two permanent unit members to share a full-time teaching assignment. The team may include certificated unit members who are currently, or, as of the effective date of the job share, will be, permanent.

10.14.2 Shared teaching assignments shall refer to two (2) unit members sharing one (1) full-time equivalent (FTE) position. The seniority of this position shall be defined as the seniority of the least senior member of the job share. Job sharing may occur involving proportionate teaching responsibilities in amounts of other than 50/50%. Upon the termination of the shared assignment, the unit members shall be returned to the proportion of a full-time equivalent (1.0 FTE) assignment, or a higher proportion if mutually agreed upon by the unit member and the District, held prior to the job share.

10.14.3 Shared teaching assignments will be filled only by permanent unit members who have jointly agreed to work together and who have submitted a written proposal for shared teaching to the site Principal(s). The proposal must be submitted on a form developed by the District in direct consultation with the Association. The proposal must be received on or before April 15 of each school year prior to the year in which the shared teaching assignment is being requested.

10.14.3.1 The Principal, in reaching a decision on a job share proposal, shall consider the needs of the students and the site, as well as the demonstrated strengths of the team members submitting the proposal. Before denying a job share proposal the principal shall consult with the Assistant Superintendent of Human Resources. Both unit members shall be notified of the decision on their proposal in writing by May 15 and have the right to appeal a denial to both the Association and the Assistant Superintendent of Human Resources. The Association reserves the right to appeal a denial directly to the Board of Education.

10.14.3.2 In the event that one of the two unit members on an approved job-share leave resigns from the District after the beginning of the school year, the District will honor the job-share leave application of the remaining member by temporarily filling the vacancy created by the resigning member through the end of that school year only, unless the remaining unit member wishes to fill the full-time position.

10.14.4 Both unit members are required to work all pre and post service days required of full-time teachers, back to school night, and open house on the dates established by the District. Parent conferences and faculty meetings during the school year will be proportionately divided between both unit members. Both members shall teach the full week on the first week of school and both shall work the last two contract days of the school year. The two teachers, subject to the approval

of the principal, will divide other responsibilities associated with the teaching assignment that occur outside of the regular workday and submit their plan in writing to the principal.

- 10.14.5** Both members of the team will be responsible for sharing all information pertaining to their mutual assignment, including information from staff meetings and in-services. For any trainings that require both members to be present, the non-scheduled unit member shall be compensated at their professional rate.
- 10.14.6** Upon reasonable notice to the job sharing team, the principal may require up to two (2) additional days of service other than the days specified in this article from each team member to be paid at the member's individual daily rates.
- 10.14.7** Both unit members must meet with the principal between June 1 and the last contractual day to review the responsibilities of the assignment, and again prior to the end of the first full week of instruction to establish and approve the exact working days and receive directions regarding attendance at staff and team meetings.
- 10.14.8** Both unit members will receive salary proportionate to their annual salary equivalent to the percentage of the job share.
 - 10.14.8.1** Unit members participating in a shared teaching assignment shall not receive credit on the salary schedule unless and until they have completed seventy-five percent (75%) of the total days of a school year.
- 10.14.9** Independent of the job share, both unit members will maintain their place on the school district's seniority list.
- 10.14.10** Both unit members in the shared teaching assignment shall receive an amount proportionate to the current benefits package equivalent to the percentage of the job share. Additionally, job share partners shall have the right to determine the allocation of their shared benefit package not to exceed 100%.
- 10.14.11** The District reserves the right to review the effectiveness of the shared positions, and to determine whether or not to continue them on a year-to-year basis. A unit member on a shared teaching assignment must notify the District by April 15 in writing if he or she wishes to reapply for a similar shared teaching assignment for the upcoming school year. The Principal will notify the unit members of the decision on their renewal request in writing by May 15. Before denying a job share renewal, the principal shall consult with the Assistant Superintendent of Human Resources. Unit members have the right to appeal a denial to both the Association and the Assistant Superintendent of Human Resources. The Association reserves the right to appeal a denial directly to the Board of Education.
- 10.14.12** In the event a unit member on a shared assignment is absent for service, the shared assignment partner may switch days worked with the absent partner. If that is not agreeable to the partner, then the shared assignment partner may provide substitute service at the substitute teacher daily rate.
- 10.14.13** Unit members who have previously received permanent status in the District, resigned their position with the District, and subsequent to the resignation are rehired within thirty-nine months, shall be eligible to be considered for participation in the job sharing section of the collective bargaining agreement.

ARTICLE 11 - TRANSFERS & REASSIGNMENTS

11.1 A transfer refers to the movement of a unit member from one school to another within the district. A unit member assigned to more than one work site shall be considered as being transferred only when moved from one district program to another.

A reassignment is a change, within the same site, from one K-5 grade level to another or from one department to another. A teacher in a combination class shall be considered a member of both grade levels. Changes to or from the positions of Educational Advisor, Counselor, Nurse, Librarian and Psychologist are considered reassignments within the meaning of this Article. Initial assignments are within the sole discretion of the district.

11.2 A request for transfer or reassignment may be unit member initiated (voluntary) or district initiated (involuntary). Involuntary transfers and reassignments shall be accomplished at the discretion of the district as set forth in this Article.

11.2.1 Involuntary transfers or reassignments shall not be made outside the major or minor fields of study and/or the areas of qualification as established by the unit member's credential(s) unless by mutual consent.

11.3 The District shall provide notice of known transfers or reassignments for the ensuing school year not later than May 30 where possible. Should additional transfers and/or reassignments become necessary after that date, affected unit members shall be notified as soon as possible.

11.4 When an involuntary transfer and/or reassignment occurs during the school year the transferred or reassigned unit member shall be provided up to two paid working days to effectuate the transfer through preparing and organizing his/her classroom environment and/or for observation purposes. The unit member may opt for one day, if the unit member believes only one day is necessary to accomplish the above purposes. No such transfer or reassignment shall result in a loss of compensation for the remainder of the school year excluding extra-duty assignments.

11.5 The District and/or site level management may initiate involuntary transfers and/or reassignments based upon the District's educational related needs. This may include, but is not limited to, transferring a teacher to another site due to declining enrollment. This transfer may take place at the beginning of the school year and/or mid-year. Such transfers or reassignments shall not be initiated on an arbitrary basis nor shall they be utilized in lieu of discipline. Prior to making an involuntary transfer and/or reassignment the District shall seek volunteers interested in making the needed assignment change. If a reassignment becomes necessary, it shall be based on appropriate credentials and seniority of the impacted grade-level(s) or department(s). If an involuntary transfer becomes necessary, it shall be based on appropriate credentials, seniority at the school site, and tie-breaker language in Article 11.8.1, if applicable.

11.6 In the event of involuntary transfer or reassignment, the employee(s) shall be advised of the reasons therefor through a personal conference with the appropriate administrator five (5) days prior to the transfer or reassignment, unless said transfer or reassignment occurs within the first month of school or under extenuating circumstances.

Teachers to be involuntarily transferred or reassigned shall have the right to indicate duty preferences from a list of all available (i.e., open) bargaining unit positions for which they are qualified by virtue of credential and training, and the administrator(s) responsible for the transfer or reassignment shall make every effort to honor these preferences.

11.7 Posting of Vacancies

A **vacancy** is an opening which the district determines to fill; the district will post all such vacancies.

- 11.7.1** Elementary teachers may indicate their interest in teaching at another grade-level at the school to which they are currently assigned by submitting a list of those interests to the principal. Secondary teachers will submit their interest in teaching specific courses or subjects to the department chair of that subject. For elementary teachers, the list of interests must be submitted no later than the May 1 of each year. Secondary teachers must submit their list of interests prior to the last school day of the year. When a vacancy occurs at a site, the principal shall review the submissions of teachers at the site prior to posting the vacancy. Applicants from within the same school-site shall be given first consideration when filling the vacancy. If two or more applicants are considered to be equally qualified to fill the vacancy, the teacher with more seniority shall be given preference. Should a teacher who has expressed an interest in a particular grade-level, course or subject not be reassigned to the desired grade-level, he or she may request a meeting with the principal prior to June 30th to be informed of the reasons therefor.
- 11.7.2** The District shall post all vacancies on the District website. Unit members throughout the District shall be informed of the vacancy when posted.
- 11.7.3** Each posting shall contain the following information:
- A.** Site location(s) of the vacancy
 - B.** Qualifications shall include, but not be limited to:
 - 1.** Grade level or subject matter experience
 - 2.** Credential requirements
 - 3.** Service requirements
 - 4.** Special qualifications
 - C.** Job description and typical responsibilities.
- 11.7.4** All postings shall include the closing date for filing. The closing date for current unit members shall be no less than ten (10) days after the date of posting and the date of the email transmission notifying all unit members of the vacancy described in Article 11.7.1 above.
- 11.7.5** The District and the Association support a unit member's right to change work locations. A voluntary transfer request shall not be denied arbitrarily, capriciously, or without basis in fact. For any vacancy, both internal and external applications shall be accepted until the close of the posting period. At the close of the posting period all internal applicants and qualified external applicants shall be interviewed by a site interview panel. The composition of the site interview panel shall be mutually agreed to by the site administration and the site Association representatives.
- 11.7.6** Vacancies which occur during the summer shall be posted. The announcements of vacancy shall be sent to unassigned unit members, unassigned unit members who are on leave and who have requested in writing such notice, and to unit members who have applied for a comparable position (i.e. school, grade and/or subject matter) within the twelve (12) months preceding the posting date.
- 11.7.7** A request for a transfer shall be maintained in an "active" file for twelve (12) months following receipt of the request and for that twelve (12) month period the Administration shall consider the request in connection with subsequent posted vacancies for positions comparable (i.e. school, grade and/or subject matter) to those listed in the request for transfer. All requests for transfer must be submitted to Human Resources by May 1 of each year for consideration for the following twelve-month period.

11.7.8 Classroom teachers who desire to transfer shall file an application with the Human Resources Office, which shall return a copy to the applicant with appropriate acknowledgment of receipt. Such application shall include the school or schools and grade level and/or subject matter to which the unit member desires to be transferred in order of preference.

11.7.9 The request for transfer application form shall be posted on the District web site no later than March 20 each year. Additional copies shall be available at each school site as well as both the District and Association offices.

11.7.10 In the event two or more unit members with state required credentials for the position apply for a vacancy, the unit member with the greatest seniority shall receive the transfer.

11.7.11 All applicants shall receive a notice of the disposition of their application in case of a vacancy for which they have indicated a desire to be considered within 30 work days. All applicants not selected shall, upon request, be granted a follow-up contact to receive verbal feedback regarding their interview.

11.8 Unit members who must be transferred as a result of a school closing or loss of enrollment shall have the right of first preference and first refusal on all vacancies for which they are qualified and credentialed until the placement decision is confirmed between the transferee and the principal and/or the Human Resources Office. The order of establishing first preference and first refusal shall be based upon the length of service in the district of those unit members who are being transferred, provided the qualification and credential requirements are met.

11.8.1 Everything else being equal, a tie breaker, and who will have seniority rights, will be determined by a point system. One point will be assigned for the following criteria:

- a. One point for each additional credential
- b. One point for a BCLAD
- c. One point for each Master's or Doctorate degree
- d. One point for each year teaching with a clear credential (within and outside RBUSD)

11.9 The District will ensure that each site publicizes and informs its staff in writing when extra duty opportunities are available at the site in a timely manner.

11.10 For openings, which occur between June 1 and October 1, voluntary changes in positions for the following year shall be handled as follows:

11.10.1 The District shall provide to all unit members by posting on the District web site and sending notification of such action via transmission of a mass e-mail a Special Voluntary Transfer Request Form with a deadline for filing which is no sooner than five (5) working days following the Human Resources Office announcement and the e-mail transmission described above. Unit members who desire to be considered for any vacancies shall be required to fill out the form. At a minimum the form will require the following specific information: School or work site desired, special considerations, and, where more than one school or work site is indicated, priority order of choices.

11.10.2 Unit members who submit such forms in a timely manner will be eligible for consideration for any vacancy which (1) has already been posted or which (2) may subsequently occur up to the opening of the ensuing school year. Requests for transfer may be withdrawn at any time; if an employee is selected for a voluntary transfer, he/she may decline the offer.

11.11 Unit members may be required to change classrooms. In no case shall a unit member be required to change classrooms for arbitrary or capricious reasons. Upon request by the unit member, the principal shall offer the reasons for the classroom change in writing. The principal shall make every effort to ensure that unit members move into a classroom that is substantially similar to other classrooms used for that grade-level or subject. In the event a unit member is required to relocate to a different classroom, he or she shall be provided up to two paid working days at the current rate identified in Appendix C. Additional days may be approved at the discretion of the principal/designee.

ARTICLE 12 - CONCERTED ACTIVITIES

- 12.1** It is agreed and understood that there will be no strike, work stoppage, slow-down, picketing in connection therewith, or other interference with the operations of the district by the Association or by its officers, agents or members during the term of this Agreement, or any agreed upon extension thereof, including compliance with the request of other labor organizations to engage in such activity. This clause applies regardless of whether or not a dispute is subject to the Grievance/Arbitration clause of this Agreement.
- 12.2** The Association recognizes the duty and obligations of its representatives to comply with the provisions of this Agreement and to make every effort toward inducing all employees to do so. In the event of a non-Association authorized strike, work stoppage, slow-down, or other interference with the operations of the Employer by employees who are represented by the Association, the Association agrees in good faith to take all necessary steps to cause those employees to cease such action.
- 12.3** Neither the submission of this proposal, nor its violation or expiration, shall prejudice the district's legal position that the above activities are or may be independent violations of the law, illegal notwithstanding this Article.
- 12.4** During the term of this Agreement, or any agreed upon extension thereof, the district will not lock out bargaining unit members.

ARTICLE 13 - GRIEVANCE PROCEDURE

13.1 Definitions

13.1.1 A "**grievance**" shall be defined as a written statement by a grievant citing a specific section of the contract that has allegedly been violated or misapplied and a statement of redress requested.

The interpretation or application of District policies, rules and regulations shall be expressly excluded from the definition of a "**grievance**" in the Agreement. The Board shall maintain a policy/regulation establishing an orderly process for individuals within the unit to challenge the application of policies/regulations that are outside the scope of negotiations.

13.1.2 A "**grievant**" is the Association or a unit member filing a grievance.

13.1.3 "**Days**" are working days of unit members. Either party may postpone the processing of a grievance for the duration of a vacation period.

13.1.4 The "**Informal Step**" in this procedure is a required conference between the unit member with the problem and the appropriate administrator.

13.1.5 "**Association representative**" is the exclusive bargaining agent selectee.

13.1.6 The "**appropriate administrator**" is the lowest level administrator having immediate jurisdiction over the grievant who has been designated by the District to adjust grievances.

13.2 General Principles

13.2.1 All unit members have the right to file grievances in good faith without fear of prejudice or reprisal.

13.2.2 It is in the best interest of all concerned that all grievances be settled as quickly as possible in an orderly process, and at a level as close to the focus of the grievance as is practical.

13.2.3 All grievances shall be in writing and shall be initiated on the District Grievance form. The form may be secured from the principal's secretary at the local school or from the Assistant Superintendent at the district office.

13.2.4 The grievant has the right to request an Association representative at each step of the grievance procedure.

13.2.5 Grievances or disposition hereof should not be entered in the employee's personnel file.

13.2.6 If the same complaint or substantially the same complaint is made by more than one unit member against one respondent, only one unit member on behalf of himself/herself and the other named grievant may process the complaint through the grievance procedure. Names of all aggrieved parties shall appear on any documents related to the settlement of the grievance.

13.2.7 The grievance shall be a clear, concise and specific statement, stating the circumstance on which the grievance is based; the persons involved; the citations of pertinent sections of the Agreement; and the remedies which he/she has sought. The grievant shall send a copy to all interested parties.

13.2.8 Prior to the filing of a grievance, the grievant shall meet with the appropriate administrator in all cases and both shall make a conscientious effort to resolve the controversy, dispute or disagreement.

13.2.9 Either party to the grievance shall have the right to request an additional conference at any step of the procedure to resolve the grievance. Either party may elect to have a representative present at such a conference.

13.2.10 No grievance shall be recognized by the District or Association unless filed and presented no later than thirty (30) days after the alleged grievance is known or should reasonably have been known by the grievant. At any level of the procedure the time limits may be extended by mutual written agreement.

13.3 Steps in Grievance Procedure

Prior to Step 1, the grievant shall meet with the appropriate administrator and both shall make a conscientious effort to resolve the controversy, dispute, or disagreement. This may be called the informal step.

13.3.1 Step 1

- A.** The grievant shall send a statement of grievance in writing to his/her administrator and to the Assistant Superintendent. Within ten (10) days of receipt of the formal grievance, the administrator shall confer with the grievant and appropriate representative requested.
- B.** The administrator shall communicate a decision to the employee in writing within ten (10) work days after meeting with the grievant (if applicable) or receiving the grievance. If the administrator does not respond within the time limits, the grievance may be moved to the next level. Within the above time limits, either party may request a personal conference with the other party.
- C.** Within forty-eight (48) hours of the decision, copies of the decision shall be delivered to the grievant and to all parties of interest.

13.3.2 Step 2

- A.** The grievant may appeal the decision from Step 1 to the Assistant Superintendent within ten (10) days after receipt of the Step 1 decision. This appeal shall be presented in writing with all documents developed and used in Step 1, and shall be available to all parties of interest.
- B.** The Assistant Superintendent will notify all involved parties of interest of the request for appeal.
- C.** Within ten (10) days of receipt of the appeal, the Assistant Superintendent shall confer with the grievant and appropriate representative.
- D.** The Assistant Superintendent shall communicate a decision in writing within ten (10) work days after meeting with the grievant (if applicable) or receiving the appeal. Either the grievant or the Assistant Superintendent may request a personal conference within the above time limits. If the Assistant Superintendent does not respond within the time limits, the grievance may be appealed to the next level.
- E.** Within forty-eight (48) hours of the decision, copies shall be delivered to the grievant and all parties of interest.

13.3.3 Step 3

- A.** The grievant may appeal the decision from Step 2 to the Superintendent within ten (10) days after receipt of Step 2 decision. The appeal shall be in writing.
- B.** Within ten (10) days of receipt of the appeal, the Superintendent shall confer with the grievant and appropriate representative.
- C.** The Superintendent or designee shall communicate a decision within ten (10) work days after receiving the appeal or meeting with the grievant (if applicable). If the Superintendent or designee does not respond within the time limits, or the grievant is not satisfied with the Superintendent's decision, the grievant may appeal the decision in writing within ten (10) days to the Board of Education. The Board, in its sole discretion, may within fifteen (15) days choose to review or not to review the decision. In the event the Board chooses not to review the decision, it shall so notify the grievant in writing. In the event the Board chooses to review the decision, it shall so notify the grievant; and may request the taking of additional testimony or the presentation of additional

documentary evidence. The Board shall, following review, render its written decision within thirty (30) days following the decision to review.

- D. Within forty-eight (48) hours of the decision, copies shall be delivered to the grievant and to all parties of interest.

13.3.4 Step 4-Mediation

If the Superintendent or designee does not respond within the time limits, or the grievant is not satisfied with the Superintendent's decision, mediation prior to arbitration shall be pursued. A request for mediation must be submitted in writing to the District within ten (10) days of a written decision being rendered or should have been rendered at Step 3. Within ten (10) working days of requesting mediation, the Association shall request that a mutually agreeable mediator from the California State Mediation Service, or from any other dispute resolution center, be assigned to assist the parties in the resolution of the grievance. No later than 30 days following the request for mediation, the mediator shall meet with the grievant, the Association, and the Superintendent or designee for the purpose of resolving the grievance. The timeline may be extended by mutual agreement of the parties. If an agreement is reached, the agreement shall be in writing, shall be signed, and shall constitute a settlement of the grievance.

13.3.5 Step 5 - Arbitration

- A. If the grievant is not satisfied with the decision at Step 4, s/he may within ten (10) days request the Association to submit the grievance to **final and binding arbitration**. If the Association concurs with the employee's request for arbitration, the Association shall within twenty (20) days of the Superintendent's decision submit a request in writing to the Superintendent for arbitration of the dispute, and the District shall comply with the request.
- B. The Association and the District shall attempt to agree upon an arbitrator and if no agreement can be reached, the parties shall request the California Conciliation Service to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the Arbitrator. The order of striking shall be determined by lot.
- C. The fees and expenses of the Arbitrator and the hearing shall be borne equally by the District and the Association. All other expenses shall be borne by the parties incurring them. Unless the parties mutually agree to share the expenses, the cost of the services and expenses of the court reporter shall be paid by the party requesting same.
- D. The Arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues that were submitted to arbitration. If the parties cannot agree upon a submission agreement, the Arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each level. If either party raises an issue of arbitrability, such party raising the issue may request, by written notice to the other party 48 hours in advance of the hearing, a separate hearing on the issue arbitrability. Such decision may, upon agreement of the parties, consist of a decision without written opinion. No hearing on the merits of the case will be conducted until the issue of arbitrability has been decided. The Arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement. After a hearing and after both parties have had an opportunity to make arguments, the Arbitrator shall submit in writing, as soon as possible to all parties, the finding of facts and/or an award. The award may be given without written arguments or written opinion if both parties agree. The decision of the Arbitrator, within the limits prescribed, shall be final and binding upon the parties to the dispute.

13.4 Representation

- 13.4.1 Any unit member may at any time present grievances to the District and have such grievances adjusted without the intervention of the Association, as long as the adjustment is reached prior to arbitration and

the adjustment is not inconsistent with the terms of this Agreement -- provided that the District shall not agree to the resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response. Upon request of the grievant and the concurrence of the Association, the grievant may be represented at any stage of the grievance procedure by a representative of the Association.

- 13.4.2** The Association will exclusively receive time off from duties for the processing of grievances under Article 13 herein for unit members who are designated as Association representatives. The Association will identify grievance representatives to the Superintendent no later than November 1st of each year.

ARTICLE 14 - INTERMEDIATE DISCIPLINE

- 14.1** The District retains the right to discipline unit members for just cause. A course of progressive discipline shall include verbal warnings, written warnings, letters of reprimand, Disciplinary Notice without suspension, or suspension with pay. Progressive discipline does not apply where the serious nature of the offense may require the District to directly impose discipline. Disciplinary Notices issued under this Article that include suspension shall not exceed fifteen (15) days in duration. Denials of leave and involuntary transfers shall not be used for disciplinary purposes. Dismissals, non-reelections, or suspensions for more than fifteen (15) working days are governed by applicable Education Code and shall not be subject to the provisions of this Article. In the exercise of this right to discipline for just cause the District will not act arbitrarily, capriciously, or in violation of the terms of this Agreement or applicable provisions of the Education Code.
- 14.1.1** The District shall, concurrently with notification to the unit member of any contemplated disciplinary action, also notify the unit member of their right to Association representation and their right to appeal said action by filing a grievance as provided in Article 13 of this Agreement. The notice shall contain a specific statement of the act(s) or infraction(s) upon which the disciplinary action is based, the proposed disciplinary action to be taken by the District, and a statement of the rules, regulations, policies, directives, or statutes that the unit member is alleged to have violated. A unit member shall not be disciplined for any violation of rules, regulations, policies, directives, or statutes of which the employee has not been apprised. The District shall keep all information or proceedings regarding any such actual or proposed disciplinary action confidential.
- 14.1.2** Suspensions may be without pay, but shall not reduce or deprive the unit member of health and welfare benefits.
- 14.1.3** This Article shall not reduce the rights of permanent bargaining unit members contained in Education Code sections 44932 and 44944 nor shall it limit the District's right to discipline unit members under the Education Code.
- 14.2** In order to be timely filed, a charge must be initiated no later than thirty (30) calendar days following the act or occurrence upon which the charges are based, or thirty (30) calendar days following the date the district reasonably should have known of the act or occurrence.
- 14.3** In imposing discipline, the district will not take into account any prior charges which occurred more than four (4) years preceding the date of the charge or charges giving rise to the discipline.
- 14.4** Complaints Regarding Unit Members
- 14.4.1** When the District receives a complaint about a unit member that does not require either investigation or the filing of a statutorily-mandated report, the administrator receiving the complaint shall endeavor to direct the complainant back to the unit member for resolution of the complaint. The site administrator will attempt to schedule a meeting between the unit member and the complainant, should the unit member or complainant so request.
- 14.4.2** For complaints requiring further investigation by the District, the unit member shall be furnished with a copy of the complaint along with copies of any accompanying documentation related to the complaint within five (5) days should such documents be placed in the unit member's personnel file. Unit members shall have the right to submit a written response to such documents, which shall be attached to them.

- 14.4.3** No complaint shall be utilized for the purpose of disciplinary action against a unit member unless that complaint has been duly investigated by the District and the unit member has been given an opportunity to respond to allegations derived from the investigation. Unit members shall have the opportunity to respond either orally to allegations presented at a formal conference, or in writing within ten (10) days of the presentation of the allegations. Any unit member who is the focus of disciplinary action shall have the right to representation in responding to the allegations.
- 14.4.4** Complaints that are withdrawn or shown to be unsubstantiated in the course of an administrative investigation shall not be maintained in the unit member's personnel file or be utilized as part of any evaluation, assignment decision, disciplinary action, or dismissal action against the unit member.
- 14.4.5** Written complaints shall be subject to the grievance process only when attached to disciplinary notices issued in accordance with the terms of Article 14 of the Agreement. All information or proceedings regarding any complaint shall be kept confidential by the site administrator and the District to the extent permitted by law.
- 14.5** An employee may appeal a Notice of Intermediate Discipline by filing a grievance within 10 (work) days from the receipt of the Notice of Discipline.

ARTICLE 15 - SAVINGS AND SEPARABILITY

- 15.1** In the event any provisions of this Agreement are held to be contrary to the law by a court of competent jurisdiction inclusive of appeals, if any, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue and remain in full force and effect.
- 15.2** In the event such provisions are invalidated as described above, the parties shall, upon request, meet no later than fifteen working days after such request to discuss the impact of such a holding and to negotiate possible alternative provisions.
- 15.3** Any individual contract between the Board and an individual unit member shall be subject to and consistent with the provisions of this Agreement which shall prevail over any conflicting provision(s) of such individual contract.

ARTICLE 16 - ANTI-DISCRIMINATION POLICY

- 16.1** Neither the District nor the Association shall discriminate unlawfully against any unit member on the basis of race or ethnicity, color, religion, creed, ancestry, national origin, gender (including sexual harassment and pregnancy), gender identity, gender expression, age (over 40), marital status, medical condition, mental or physical disability or sexual orientation. Both the District and the Association express strong disapproval of any unlawful discriminatory or harassing conduct on the part of any unit member.
- 16.2** The District encourages unit members to report complaints of discrimination or harassment without fear of retaliation. Unit members wishing to complain about discrimination or harassment should contact their immediate supervisor. If they are dissatisfied with the action taken by their immediate supervisor, or if their supervisor is the discriminating or harassing individual, unit members should contact the following person:

Assistant Superintendent, Human Resources
Redondo Beach Unified School District
1401 Inglewood Avenue
